# CONCRET ART

Concret Art is a decorative finish for indoor and outdoor depicting the exposed concret. The finish is based on acrylic-siloxanic binder base, is anti algae and anti mold in nature with extremely high water repellancy.

When coupled with a siloxanic masonry preservative, the versatality of the finish is further enhanced and can even be used for restoration projects, helping in preserving antique look.

- Quick and easy application
- Odourless
- Environment friendly with low VOC
- Highly customizable with respect to colours and effects
- Compatible with all paintable substrates
- It supports fragmented repair to a limited extent.
- Adaptable in all concepts, classical, modern or fusion.
